## SECURE THE BLOOD OF THE GREAT SIRE

IMP. VILLAGER 295884

The more one has the opportunity to study the get of Villager, premier sire at Uppermill, the more one is impressed with the fact that in him Weaver & Garden own one of the greatest breeding bulls of the times. Judged by the type, breed characteristics, quality, uniformity and early maturing qualities displayed by his get, Villager is a success. Judged by the performance of his get in the show rings of recent years, and particularly of the 1912 circuit, when his get, comprising Young Herd, Calf Herd, Senior and Junior Calves, never met defeat. Village Clara 6th winner of the Futurity at Kansas City, the cup as the best heifer calf, also the president's prize for best bull or heifer calf. All the winners in the four calf classes at Kansas City were related to Villager, namely, a daughter, grandson and a great grandson. Villager has attained distinction heretofore accorded to few sires of the breed.

### THERE IS A REASON

It is revealed in a study of the bull. The reason for his individual excellence, the breed character and pleasing qualities possessed by his get, and his success as a sire, is found in a study of his pedigree. Villager is by Village Beau, a Duthie-bred bull and the best stock bull seen by the writer in Great Britain a few years ago. His get have been so uniformly successful in the shows of that country that he is now rated as the greatest sire of the breed in Britain. Note reference to winnings of produce of Village Beau on another page. The dam of Village Beau, Village Maid 17th, is the granddam of Village Belle, a noted celebrity. The sire of Villager's dam, Rosy Cloud, is Chorister, a Collynie production whose get, numbering eighty head, in the Jolliffe dispersion sale, averaged sixty-eight guineas. His granddam's sire, Misty Morning, was a first prize winner at the Royal and by the champion Pride of Morning, and his great granddam, Rose Blossom, was winner of first at the Royal, and is the dam of Pride of Avon, one of the greatest sires ever used by Duthie. Thus it will be seen that Villager's merit is inherited from a line of distinguished ancestry and he is passing it along to his get.

**In This Sale**—There will be twenty head bred to Villager, a few with calves at foot by him, and two daughters. The four bulls are herd headers. Considering Villager's reputation as a sire of show stock, the stated merit of the females bred to him, the richness of the breeding, this offering presents a most exceptional opportunity to not only make selections of stock of unusual desirability, but of double worth because of the fact that they are bred to imported Villager, the greatest imported bull in America and one whose worth as a sire of show stock is long since established.

(Signed) GEORGE E. MARTIN.

**Whitehall Sultan 163573**, bred by J. Deane Willis, Bapton Manor, Codford, Wiltshire, England, sire Bapton Sultan, dam, Imp. Bapton Pearl by Count Lavender. Bapton Pearl is remembered by those who saw her as one of the most perfect Shorthorn females ever seen in the English or American show yards, where she was a winner of many grand champion prizes and was sold by Mr. Willis at \$5,000 to come to this country. She was bred to Bapton Sultan, sold about the same time to go to South America. This mating produced Whitehall Sultan. The show yard record of this great sire is still in the minds of breeders of Shorthorns and his achievements as a sire seem to mount to a higher standard and throughout a broader sphere with each succeeding year, for it is generally conceded that the blood of no other bull in recent years has made as much improvement or made it possible to preserve high individual excellence when it was already there as the blood of Whitehall Sultan.

**Lavender Viceroy 223936**, a Cruickshank Lavender bull, was got by Lavender Viscount, a celebrated champion of the American Royal and International Expositions.

**Imp. Master of the Rolls 99463**, a Lavender bull, got by Gondolier 92827, out of Lavender 45th by Baron Violet 90446.
